## Safeguarding and Welfare Requirement: Information and Records

Providers must maintain records and obtain and share information to ensure the safe and efficient management of the setting, and to help ensure the needs of all children are met.

## **Admissions Policy**

## **Policy statement**

It is our intention to make our setting accessible to children and families from all sections of the local community. We aim to ensure that all sections of our community have access to the setting through open, fair and clearly communicated procedures.

## **Procedures**

- We ensure that the existence of our setting is widely advertised in places accessible to all sections of the community.
- We ensure that information about our setting is accessible, using simple plain English, in written and spoken form and, where appropriate, provided in different community languages and in other formats on request.
- When a family enquire about spaces, one of the administrators (Emilia, Katy) will answer as soon as possible sending out a pack for new parents, along with a covering note.
- If Emilia and Katy are absent the Manager or another Director may send out details.
- Once an application form has been received, a place will be allocated, or if a place is not currently available, they will be added to our waiting list.
- We arrange our waiting list in order of applications received. In addition, our policy may take into account:
  - the age of the child, with priority given to children who are eligible for the free entitlement including eligible two-year old children;
  - the length of time on the waiting list;
  - whether any siblings already attend the setting; and
  - the capacity of the setting to meet the individual needs of the child.

- As and when a space becomes available an offer is made. Families have 7 days to accept this offer. If not accepted it is passed on to the next available family.
- Our setting and its practices are welcoming and make it clear that fathers, mothers, other relations and carers are all welcome.
- Our setting and its practices operate in a way that encourages positive regard for and understanding of difference and ability - whether gender, family structure, class, background, religion, ethnicity or competence in spoken English.
- We support children and/or parents with disabilities to take full part in all activities within our setting.
- We monitor the needs and background of children joining our setting on the Registration
  Form, to ensure that no accidental or unintentional discrimination is taking place.
- We share and widely promote our Valuing Diversity and Promoting Equality Policy.
- We consult with families about the opening times of our setting to ensure that we accommodate a broad range of families' needs.
- We are flexible about attendance patterns to accommodate the needs of individual children and families, providing these do not disrupt the pattern of continuity in the setting that provides stability for all the children.
- Failure to comply with the terms and conditions may ultimately result in the provision of a place being withdrawn.
